

# Artwork Requirements

At Next Day Signs we take very seriously the reproduction quality of your final product, thus we require the cooperation of our customers to prepare the file suitable for a perfect print. Please follow our requirements to assure a top-quality product and avoid production delays. Next Day Signs is not liable for reprints if you decide not to follow these directions.

## » Suggested File Formats

Acceptable file types or formats are:

PDF, TIF, JPEG, EPS, AI and PSD (All layers must be flattened prior to submission)

Recommended Design Applications (Programs, Software's)

(Corel Draw files must be exported as one of the following formats: High Resolution PDF, JPEG, TIF EPS or AI and make sure fonts are converted to curves)

## » Fonts

Convert all fonts to Outlines where applicable.

## » Resolution

We require a minimum resolution of 100-150 dpi at 100% print size, or 200-300 dpi at 50% print size on all Raster Based designed and submitted files such as TIF, PSD, JPEG & etc.

## » Recommended Media / File Transfer

CD ROM / DVD / USB Drive • Online (File Upload)

We recommend that your files, be compressed regardless of its size with softwares such as WinZip or Stuffit to reduce transfer time. This will also help to identify your uploaded file.

## » Artwork Size

We always recommend submitting files at 100% final print size. If not possible you may save your files at larger percent intervals at 300 dpi. (Please Indicate the final output enlargement percentage size on your message).

## » Color Modes

Save your design in RGB mode. Next Day Signs is not responsible for any color change.

## » Other considerations...

### **Pantone Colors.**

If you use any spot or Pantone colors (PMS) please have them converted to match RGB colors prior to submitting your files.

### **What is the largest file upload size?**

Up to 4 GB files uploaded through our upload engine page.

### **How do I send you my artwork?**

Submit your custom art files through our upload engine page or bring your files on CD, DVD or USB drive to #225 FD Roosevelt Ave. San Juan PR 00917.
